Dear Parent

Re : Parent Volunteer Scheme at St Hilda's Primary School for 2021

Application to contribute as Parent Volunteer (PV) in St Hilda's Primary School is now open to parents for children born in 2015 and due for Primary One Registration in 2021 for academic studies commencing in 2022. The duration of volunteering service required of parents accepted as PV by the school will be 24 months commencing from January 2020.

Please note that the closing date for application to be a PV is **15 August 2019**.

Upon acceptance by the school as PV and fulfilment of the school's PV service contribution criteria, the PV will be eligible to register his/her child under Phase 2B of the Primary One Registration Exercise in 2021. Parents are reminded that eligibility for Phase 2B does not guarantee enrolment in the school. In accordance with MOE's rules, should there be a greater number of registrants than the available vacancies under Phase 2B, balloting for the limited number of vacancies will be conducted by MOE.

Please note that the submission of your application to contribute as PV does not mean an automatic acceptance by the school. Shortlisted applicants will be invited to attend an interview to determine if their interests and skills match the needs of the school.

We seek your understanding that only shortlisted applicants will be notified. If you do not hear from us by end October 2019, it would mean that your application to be a PV in the school has not been successful.

Yours faithfully

Mrs Daphne Yeoh
Principal
