7. Traffic Safety

Parents/guardians who drive to drop off their children at school in the mornings are reminded to observe all traffic rules to be good role models for their children, and to be mindful of the safety of other road users. During disembarkation of passengers along roads, parents/guardians are urged to be considerate of other road users by having their passengers disembark briskly in order to avoid causing traffic build-up along the road. Vehicles should not be stopped along roads directly in front of the school's gates for disembarkation of passengers as this impedes the entry and exit of school buses into and out of the school during peak periods, creating a hazardous potential for accidents.

To avoid congesting the roads immediately around the school, driving parents/guardians are strongly advised to park their vehicles at neighbouring public carparks and to walk their children to school instead.

Yours sincerely

Mrs Daphne Yeoh
Principal
